RE: Enclosed Emergency Request for Leave to File Without
Exhaustion to Avoid Irreparable Harm

Dear Mr. Bradley:

Enclosed please find my Emergency Request for Leave to File Without Exhaustion to Avoid Irreparable Harm. Things inside the Texas prison system are much worse than TDCJ officials are leading the public to believe. Since the Court retains its traditional equitable discretion to grant temporary relief to maintain the status quo pending exhaustion I am requesting the Courts permission to file pending administrative remedy exhaustion. Will you please file this and bring it to the immediate attention of Judge Brown? I would also appreciate a copy of this filing with a date stamp.

Thank you for your time and attention to this matter.

Sincerely,
Dustin Mitchell
